SCAVOLINI™

Scavolini Bathrooms:

SCAVOLINI'S ALL-ITALIAN QUALITY, DESIGN AND EXPERIENCE FOR BATHROOM FURNISHINGS.

A programme of complete bathroom designs, with an exceptional degree of compositional variety, that reflects all the latest dictates in the areas of lifestyle and wellness.

In stylistic terms, Scavolini Bathrooms reflects the sweeping breadth of range and personalisation: units with drawers and pull-out baskets; horizontal and vertical cupboards and wall units and open-fronted units of various depths. 10 complete collections offering a total

of more than 25 washbasins of exclusive design, surface-mounted or integrated into the unit tops, available in Cristalplant, mineralmarmo, glass, stone or porcelain, wall-hung or floor-mounted sanitary fittings, tap fittings, shower trays and cabins and bathtubs, not to mention mirrors

LAUNDRY SPACE design Idelfonso Colombo

MAGNIFICA design Gianni Pareschi

LAGU design Castiglia Associati

and accessories, together with a line of 30 lighting systems. 165 possible finishes, generating a total of more than 1,500 articles.
